

Ecosystem Partnership Ranking Form

for FY 09 Applications

C2000 Ecosystems Program

Ecosystem Partnership: _____ Project No _____

Project Title: _____

Instructions: Please select a ranking based on the five categories for the above referenced project and select a numerical score that best represents the partnership's recommendation. This ranking should be based on criteria your partnership uses to evaluate the FY '09 project as it relates to the "Guidance to Local Partnership Councils for the Development of FY 09 Grants" handout.

EXCEPTIONAL (41-50) _____

*project exceeds all criteria with tremendous resources benefits

HIGH QUALITY (31-40) _____

*project has few shortcomings and significant resource benefits

ACCEPTABLE (21-30) _____

*project provides moderate resource benefit

POOR (11-20) _____

*project provides minimal resource benefits

UNACCEPTABLE (01-10) _____

*very poor project which, under no circumstance, should be funded

Please use the space below to add comments/justification to the ranking.
